## Why choose a Senior Living facility ?

Being a mature person brimming with energy at the threshold of your Golden Years, you want to cherish these moments of life, as the aspirational years roll pass, with friends or alone, contemplating life or just doing what you wanted in beautiful lush green surroundings, free from the day-to-day burden of managing life.

Quality social interaction, hassle free living and the feeling of independence, in a secure environment of a senior living facility are what you aspire for.

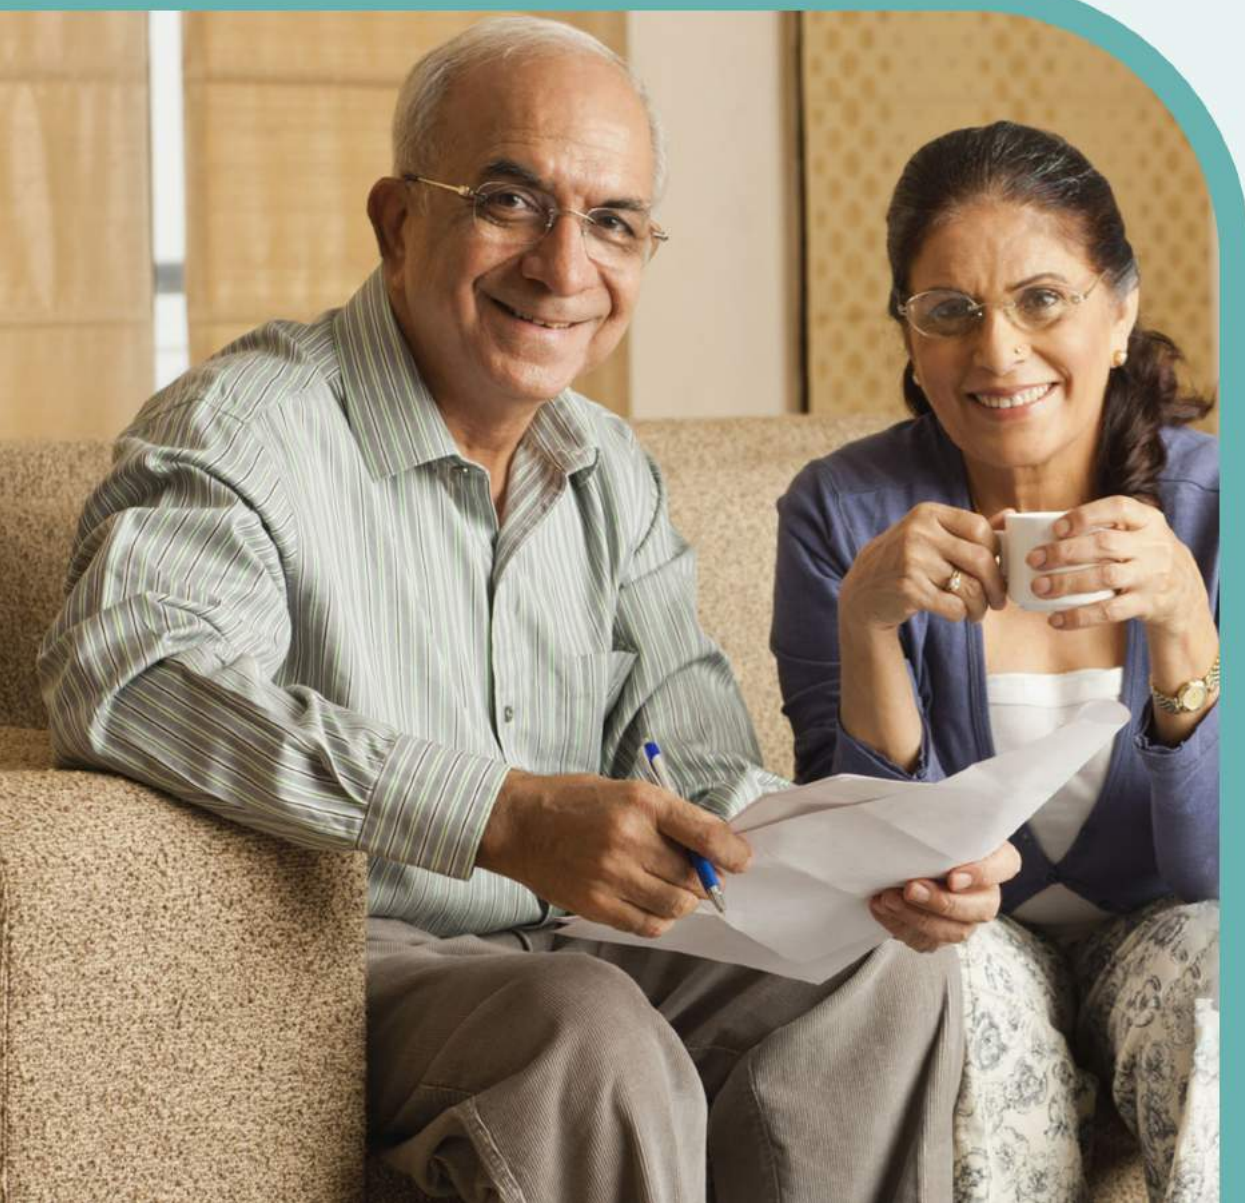

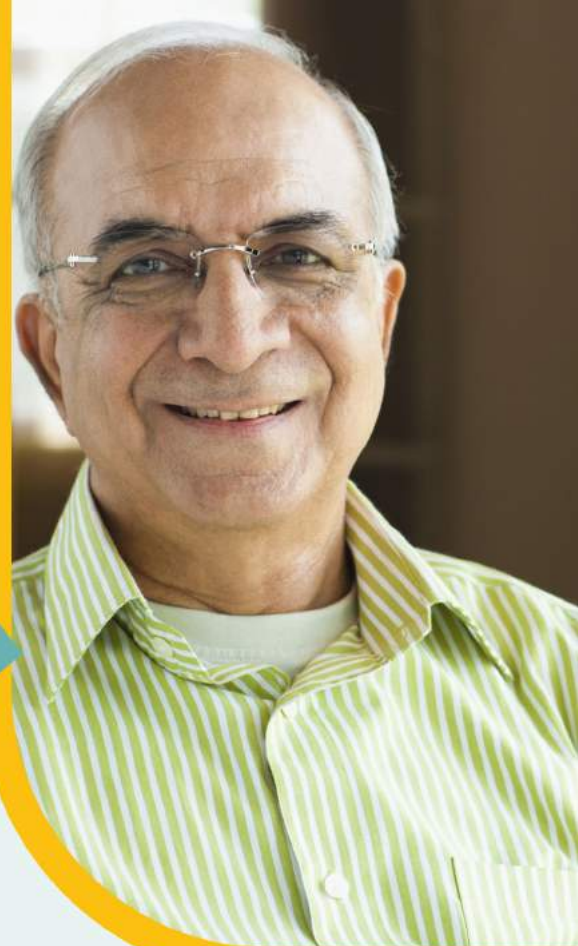

Being your own master with a stable status, you like to indulge in various activities for physical, social and emotional well-being, and now have no desires of dealing with the day-to-day chores and hassles.

You feel secure in the cocoon of a retirement home with your needs taken care of.

You love your children and bask in the glory of their success at their place of calling, thousands of miles away. You cherish the feeling of giving wings to their dreams and aspiration and having taught them to fly.

In this changing world you like to see that in the years ahead your additional health and lifestyle needs are taken care of.

This, and the promise of an active and fulfilled life in the silver & golden age group is what Krishnashray Senior Living is about.

## About Us

Krishnashray Senior Living is being developed by Shri Gopallalji Maharaj Trust.

Shri Gopallalji Maharaj is the family deity of the family of Raja Gokuldas ji & his brother Shri Gopaldas ji and the ancient haveli, as the temples of the Vallabh Sampraday are known, of the deity, is situated on the bank of Hanumantal in the heart of Jabalpur city.

The sewa and darshans of Shri Gopallalji have been going on uninterrupted since over 190 years, first in the family palace and later in the beautiful haveli.

The arrangement of the haveli and Shri Gopallalji Maharaj's estate and religious and charitable works are handled by eponymous Trust since last over one hundred years.

The Trust also runs dharmshalas, goshala, provides scholarship and assistance for education and regularly organizes spiritual and religious events for the welfare and well-being of the people.

Looking to the need of the society, the Trust undertakes welfare works and projects from time to time. Krishnashray, the senior living project is a pioneering initiative of the trust to meet the needs of the society.

The Trust now brings Krishnashray for those elderly who need care, comfort, and company in their Golden Years.

# Why choose Krishnashray ?

There are numerous senior living facilities in India serving to various levels of lifestyle. So why should you choose Krishnashray? Here are some compelling reasons for you to consider:-

- a) Not a builder project where units are being sold.
- b) The units in Krishnashray will be allotted to senior citizens against a fully refundable deposit and monthly usage charge/ lease rent.
- c) Jabalpur is a well-connected city, which offers benefits of a large city and yet convenience and low cost of living of a small town with a good environment and a connected well-meaning society.
- d) Backed by one of the oldest religious Trusts of the region which is looked after by the descendants of an illustrious family of the region for several generations.
- e) Krishnashray is being developed on a five-acre land which is part of a bigger twenty-acre estate of the Trust in a beautiful green surrounding near the river Narmada.
- f) Trust's experience in managing various establishments and commitment to providing a well-managed facility.
- g) The entire project has been built in consultation with Age Ventures India a leading Age care organization with operations and projects in different parts of India. They will be consultants for Operation of the facility.

## Overview

Krishnashray is a senior living facility proposed to be spread over five acres of land. This land is part of a larger estate of Shree Goplallalji Maharaj Trust on the outskirts of Jabalpur, adjoining National Highway - 34 (old NH-7) and near the Narmada River.

At present forty units, (Phase -I) comprising of studios and two-bedroom units have been constructed and will be available for occupation from the end of 2021.

The five - floor building housing the units has ample parking facility on the ground floor level and surrounding the building. Three levels of security are proposed — at the estate level, then at Krishnashray campus level and finally at the building entrance.

Adjoining the building is a two-level common facility centre. This houses the common kitchen, dining hall, recreation and games room, small theatre, physiotherapy area, nursing station, administrative office, etc.

The building has a barrier free access and has also been provided with large elevators for stretcher and bed movement across floors.

Further wings are proposed to be developed in future surrounding the triangular open garden.

What does this mean?

Adequate security, medical care, compassionate staff and facilities to cater to a wide range of spiritual, intellectual and physical pursuits.
