

# Elixir Senior Living

---

Where Comfort, Community, and  
Care Unite for Seniors.

**B**acked by leaders in technology and healthcare, Elixir Communities is dedicated to transforming senior living.

We provide vibrant, supportive environments where seniors enjoy active lifestyles, meaningful connections, and freedom from daily hassles.

Our communities combine world-class amenities with digital technology for enhanced comfort, security, and health tracking—benefiting both seniors and their caregivers. Elixir is a place where seniors thrive, rediscover purpose, and experience life at its best—mentally, physically, and socially.

## KEY FEATURES

### 01 Personalized Care Plans

Tailored health and wellness plans designed to meet each resident's unique needs, promoting individualized care and support.

### 02 Engaging Lifestyle Programs

Diverse activities, workshops, and social events that encourage learning, creativity, and meaningful interactions.

### 03 Nutritionally Balanced Dining

On-site dining with expertly crafted, nutritionally balanced meals designed to support seniors' health and vitality.

### 04 Seamless Family Connectivity

Digital tools enable family members to stay connected and updated on their loved ones' well-being and activities.

### 05 Emergency Response Systems

Advanced emergency response features ensure rapid assistance, offering security and peace of mind.

### 06 Physical Therapy & Rehabilitation

In-house physical therapy and rehabilitation support for those needing mobility assistance or recovery care.

# Life at Elixir

## For a senior

### Effortless Living

Enjoy a worry-free lifestyle with daily needs—like housekeeping, maintenance, and meals—taken care of.

### Safety & Security

Advanced health monitoring, emergency response systems, and 24/7 staff ensure a secure environment for residents and peace of mind for families.

### Active Social Community

Engage in a vibrant community with activities, events, and friendships that foster connection and prevent isolation.

### Holistic Wellness & Personalised Care

Personalized programs and wellness services support physical, mental, and emotional well-being with around the clock compassionate team.

## Comfortable, Senior-Centric Spaces

Designed with seniors in mind, our accessible private and shared areas, along with serene outdoor spaces, foster relaxation and social interaction, creating an inviting and supportive home.

## For a caregiver

### Peace of Mind

Personalized programs and wellness services support physical, mental, and emotional well-being with around the clock compassionate team.

### Health Monitoring

Benefit from advanced technology that provides health updates and ensures timely interventions for any medical needs.

### Engaging Activities

Expect your parent to participate in social and wellness activities that promote happiness and connection.

### Personalized Care

Enjoy tailored care plans that respect your parent's preferences while supporting their independence.

### Community Connections

Your parent will build friendships and connections that enhance mental well-being and reduce feelings of isolation.

### Open & Transparent Communication

Stay informed with regular updates from the care team about your parent's well-being and any changes in their health status.
